

## **Blue Moon**

### **A**

Blue Moon – you saw me standing alone  
Without a dream in my heart  
- Without a love of my own

### **A2**

Blue Moon - you knew just what I was there for  
You heard me saying a prayer for  
- Someone I really could care for

### **B**

Then suddenly appeared before me  
The only one my arms will ever hold  
I heard somebody whisper: “please adore me”  
And suddenly the moon had turned to gold

### **A3**

Blue Moon – I´m no longer alone  
Without a dream in my heart  
- Without a love of my own

### **C**

Once upon a time, before I took up smiling  
I hated the moonlight!  
Shadows of the night that poets find beguiling  
Seemed flat as the moonlight.  
With no one to stay up for, I went to sleep at ten  
Life was a bitter cup for the sad-dest of all men
