Faithful friends who are dear to us gather near to us once more.
Faithful friends who are dear to us gather near to us once more.
Faithful friends who are dear to us gather near to us once more.
Faithful friends who are dear to us gather near to us once more.

Through the years we all will be together if the fates allow,
Through the years we all will be together ooh.
Through the years we all will be together ooh.
Through the years we all will be together ooh.

Hang a shining star upon the highest bough
Hang a shining star upon the highest bough - the highest bough
