

## LEAN ON ME

Uh

**A 1:** Sometimes in our lives

we all have pain

We all have sorrow

But if we are wise

We know that there's always tomorrow

**B:** Lean on me, when you're not strong

And I'll be your friend

I'll help you carry on.

For it won't be long

Til I'm gonna need - somebody to lean on

**A 2:** Please swallow your pride

If I have things

you need to borrow

For no one can fill

those of your needs that you won't let show

**You just call on me brother, when you need a hand**

**We all need somebody to lean on**

**I just might have a problem that you'll understand**

**We all need somebody to lean on**

**B:** Lean on me, when you're not strong

And I'll be your friend

i'll help you carry on.

For it won't be long

Til I'm gonna need - somebody to lean on

**You just call on me brother, when you need a hand**

**We all need somebody to lean on**

**I just might have a problem that you'll understand**

**We all need somebody to lean on**

**A 3:** If there is a load

you have to bear

That you can't carry

I'm right up the road

I'll share your load if you just call me

Call me (x8)

If you need a friend

Uh
